

Moses & Son, offering you more.

Moses & Son are committed to bringing you the most up to date information to improve the profitability of your sheep enterprise. As a part of this commitment, you are invited to join us on a bus tour to a Best Practice lamb feedlot & the Paling Yards Wether Trial Final Shearing & dinner on the 4th-5th of March.

The Paling Yards (Taralga) Wether Trial is Australia's largest current wether trial, and showcases some of Australia's best Merino genetics. Attending the shearing, you will view these exceptional sheep side by side as they are shorn for the last time in the trial. Lunch will be available during the day and a Roast Lamb dinner with guest speaker will be included.

The tour of the feedlot will be guided by Anthony Shepherd, animal health specialist from Sheep Matters, and will examine best practice in feedlotting lambs.

The bus will be leaving from West Wyalong, with arrangements made for transport from other Moses & Son stores depending on demand. Accommodation will be included for the evening of the 4th of March. The cost of the trip will vary depending on the number of people wishing to take part.

If you would like to register your interest for this trip please contact your local Moses & Son branch or Wool Technical Officer, or complete the form below & fax to 02 6978 0008.
